

Linear slides

Types

<p>Linear slides with inside traversal distance GN 2402</p>		
<p>Teleskopic linear slides with partly outside traversal distance (Partial extension) GN 2404</p>		
<p>Teleskopic linear slides with S-shaped intermediate profile (Full extension) GN 2406</p>		
<p>Teleskopic linear slides with rails connected in H-shape (Full extension) GN 2408</p>		
<p>Teleskopic linear slides with runners connected in dual configuration (Full extension) GN 2410</p>
