## **Specification**

- · Zinc die-cast Powder coated Black, RAL 9005, textured finish SW Silver, RAL 9006, textured finish SR
- · Set screw with plastic tip GN 913.3-M4-6-KU  $\rightarrow$  page QVX
- · RoHS compliant

## Information

GN 333.8 and GN 333.9 handle legs are highly stable in relation to their small dimensions. They can be used with longer tubes or higher loads when combined with the same 28 mm diameter tube used for the GN 333, GN 333.1, GN 333.2 and GN 333.3 tubular handles.

Handle legs secure to tube via set screws. They are mounted to the surface from the bottom, utilizing a tapped blind hole.
